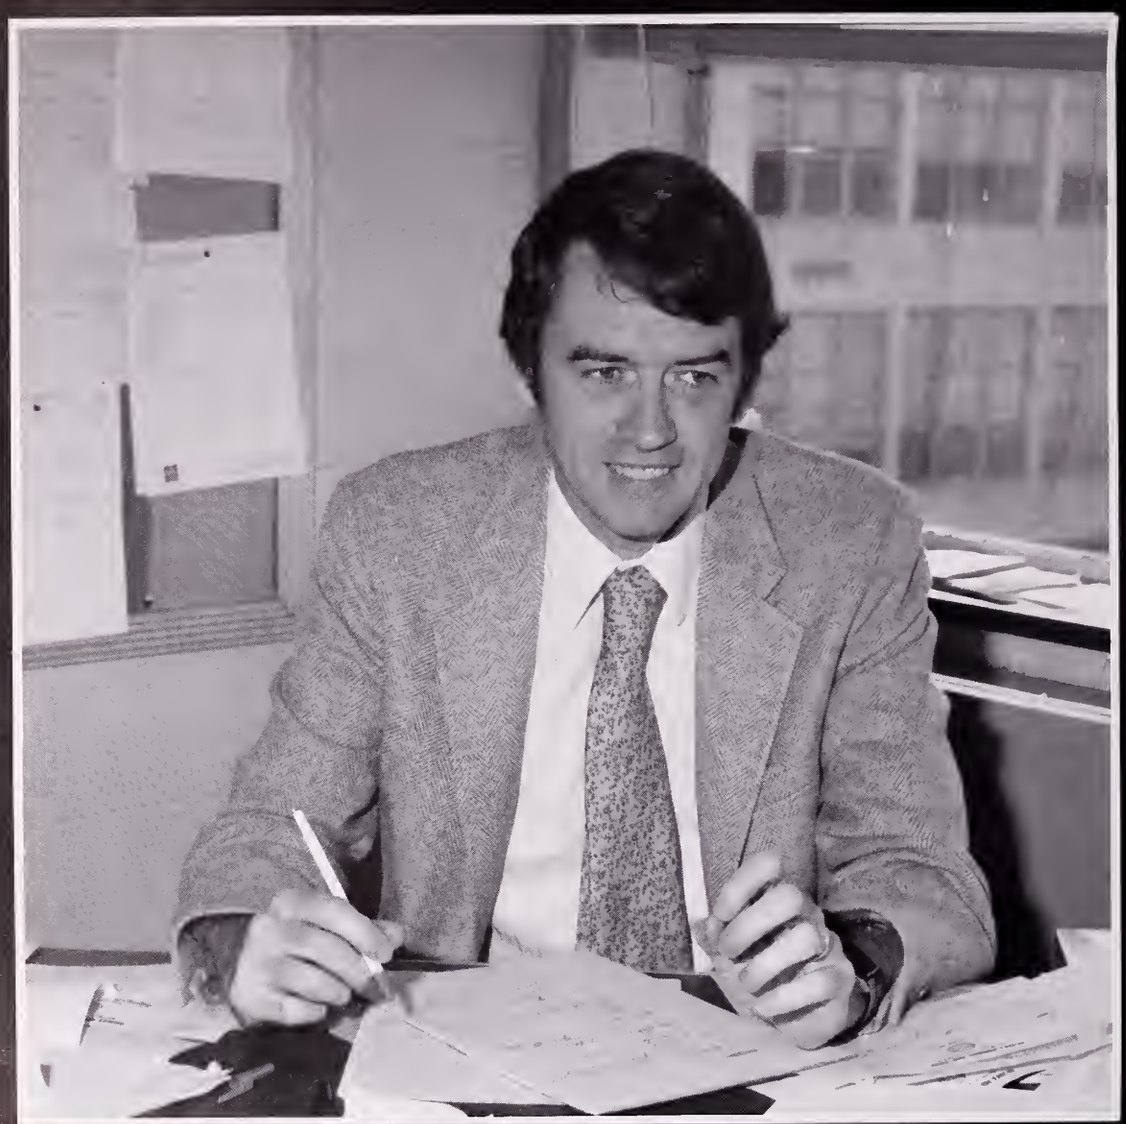
SHOWTIME

P R E S E N T S



After being our dean for the majority of our high school years, our class felt that you, **Mr. Richard Durgin,** deserved this dedication more than anyone. You have ridden with us on the "train" of our high school years, giving us the hope and encouragement to finish out the ride. You not only spoke to us about **perseverance, education, discipline,** and **courage;** but went beyond that and set an example yourself. The train ride is over, and although we'll all be getting off and traveling our own separate roads, as you did, we will always look back fondly on memories of BMHS and be thankful for the confidence and assistance you always gave to our class.

Do not stand at my grave and weep./ I am not there, I do not sleep.

I am the thousand winds that blow,/ I am the diamond that glints on snow.

I am the sunlight ripened grain./ I am the gentle autumn rain,

When you wake in the morning's hush,' I am the swift upflinging rush of Quiet birds in circling flight.

I am the soft star studded night/ Do not stand at my grave and cry.

I am not here, I did not die.

The young Indian football team started the season on a bad note with two tough losses to super bowl-bound Methuen and a power house Dracut team. The next contest would be a premonition of things to come. Billerica rallied from a 14-0 deficit, only to lose to Haverhill 17-14 in the closing seconds on a miraculous 39 yard field goal. The Indians then produced one of the finer efforts of the season by typing Lowell, 12-12. The Indians had several opportunities for victory in that game but couldn't take advantage.

The injury stricken Indians dropped games to Wilmington, Central and Tewksbury which were much closer than the final scores indicated. When the team got back to full strength, they manhandled Greater Lawrence 12-0, and stunned a very strong Andover team, who had hopes for the super bowl. Defense won out 3-2 for Billerica.

Leading the way into the Thanksgiving Day game were the following seniors:

ALL PRO

Girls Soccer

The 1983 girls soccer team's record was 8-6-2, which was not bad considering it was only their second season. The team had many high lights throughout the year, including the biggest game which was against 1st place Masconomet. Billerica tied them 1-1 with a goal from junior Michelle Blanco.

Sophomore Beth McCarthy stepped into goal in place of Stephanie Stagliano for two games and did a super job. She only allowed one goal in her first game, and she earned a shutout in the second.

There are many seniors leaving the team and they will all be missed. They are Karen Kinsella, Kathy Kinsella, Stephanie Stagliano, Danielle Babin and Beth Jones.

Some seniors played for the first time this year and did an excellent job including Ann Collins, Veronica Chisholm, Lisa Kazangian, Lynda Christensen, Becky Lloyd and Brenda Sears. Special mention goes to Co-Captain Karen Kinsella and junior Gina Gualtieri, who were voted to the all-star team. Gina and Karen were also the two top scorers in the league. Praise has to go to the entire team including quad captains Danielle Babin, Stephanie Stagliano, Kathy Kinsella and Karen Kinsella. The captains did a super job keeping up the team spirit.

The Indians have returned!!!

Billerica soccer once again ruled the Merrimack Valley with an outstanding nucleus of seniors and sophomores. The squad captains were Ron Berton, Greg Hamilton, Sean Murphy and Lloyd James, who were the spark plugs of a great 15-1-2 season.

Billerica earned the crown the hard way by coming from behind and fighting their way back on top. They did it with the help of goalie Ron Berton and striker Sean Murphy to lead Billerica in a 2-0 shutout over arch-rival Chelmsford. Murphy and mid-fielder Greg Hamilton backboned a 5-1 shocker over the defending MVC champs.

Lowell caught them by surprise, but a last minute goal by Billy Altieri gave Billerica a 2-2 tie. Billerica then bombed both Tewksbury and Lawrence by a large score.

Sophomore Tom Foley had a hat trick against Lawrence. Methuen came from behind to beat the Indians 2-1, despite Danny Kilday's inspired playing. This loss woke Billerica up and sent them on a rampage in the next four games, by outscoring the opposition 16-1.

Ron Berton and Jay Devereaux teamed up for a shutout over Wilmington. Lloyd James had 2 goals and an assist to help Billerica win over Haverhill. Jay Devereaux and Ron Berton's defense, together with Billy Altieri's 2 goals, provided Billerica with another 2-0 shutout victory over Chelmsford. While looking ahead to the Lowell and Methuen rematches, the Indians were surprisingly tied 1-1 by Andover. That was it, Billerica was through taking things lightly. Now was the time to get down to business. Brian Jackson, Bobby Russell and Pat Walder were defensive standouts in a 3-1 win over Lowell. With the help of Tom Foley's 2 goals, Billerica edged Tewksbury in a wild win. John Halnen and Bernie Hoar led a fired up Indian offense, while Mike Hughes helped defensively to shutout Lawrence 4-0. The MVC show down against Methuen ended up as a 3-0 win for the Indians. With super defense as the key, Billerica took 1st place in the MVC.

Billerica ran into tough luck in the Eastern Mass playoffs against Wakefield. Billerica led throughout the game, 1-0, but a miracle goal in the last 15 seconds sent the game into overtime. In the 3rd OT, Billerica's 1983 season came to a close as Wakefield scored the sudden death goal, winning on a brilliant 20 yard shot.

It was a great 1983 season. Billerica will find themselves hard pressed to replace seniors Ron Berton, in goal, Jay Devereaux, at sweeper, Greg Hamilton and Bernie Hoar, at midfield, Sean Murphy, Lloyd James and John Halnen, at striker, and Mike Hughes at fullback. The pride and tradition will carry on again next year.

Seniors Greg Hamilton, Ron Berton, Sean Murphy and Jay Devereaux were selected to the MVC all conference team. Greg Hamilton was also selected to the Eastern Mass all Star Division I team.

Girls Cross-Country

The girls cross-country team had a fine 7 win 1 loss record this season. They finished 2nd in the Merrimack Valley Conference. They also came in 7th out of 27 schools in the Catholic Memorial Invitational, and 10th out of 35 schools competing in the Northern Area District Championship, then 7th out of 32 schools in the Division I Eastern Mass Championships.

The team was led by senior Co-Captains Lynda Coye and Diane McPartlin. Diane had a great season, she finished 5th out of 160 runners at Catholic Memorial, 7th out of 138 in the Northern Area Championship. She was 8th out of 180 in the Division I Class Championship. Diane took 38th in the all-star meet, and she won 7 out of 8 races during the season.

Three runners made the Merrimack Valley all-stars. They were Diane McPartlin, Carol Tremblay and Kelly Egan. Kelly took 14th at the Catholic Memorial and 7th at the coaches meet. She was 18th in the 9th and 10th grade Division I Championship. She won one race during the season.

The two year captain Lynda Coye was a very consistent runner during the season and led the team by her inspiration.

Team members include senior Co-Captains Kevin Healey and Glenn Burlamachi, Senior Bryan Decelles, sophomores Jack Louriero, Mark Rivinuis, Tim Middleton and Kevin Crump, and freshmen Dave Siravo, Dan Dolan and Bill Bradbury.

Outstanding performances were given by Kevin Healey, who won 4 dual meets during the season. He was 21st out of 160 at Catholic Memorial. Glenn Burlamachi was 13th out of 189 at Catholic Memorial. He was also 12th out of 148 in the State Coaches Invitational and Glenn was the 1st runner for Billerica in the Eastern Mass Championship. He was also named to the Merrimack Valley all-star team.

Girls Swimming

This past season has been one of growth and rebuilding for the girls swim team. The co-captains were Kathie Conant and Tracie Moriconi along with fellow seniors Julie Chen, Michelle DiBiasio and Paula Morrison. The team consisted of 18 underclassmen, 14 of whom were freshmen. They had a record of 4 wins and 8 losses, it was a credit to the team because they competed against some of the strongest teams in the state.

The future is bright for this sport with such a strong base of returning swimmers. With some help this team could return to the top of the MVC.

In a "rebuilding year" the team managed to finish in 2nd place in the Merrimack Valley Conference and qualified for the state tournament. The season was highlighted by outstanding volleyball games with Chelmsford, Dracut, Lowell, Tewksbury, and Methuen. Individual all-stars in the MVC were:

Nicole Brien	1st team
Cathy Woods	2nd team
Nancy Mucci	2nd team
Janine Gifford	Honorable Mention
Denyse Corriveau	Honorable Mention

The team is losing two very good senior players, however a solid group will return.

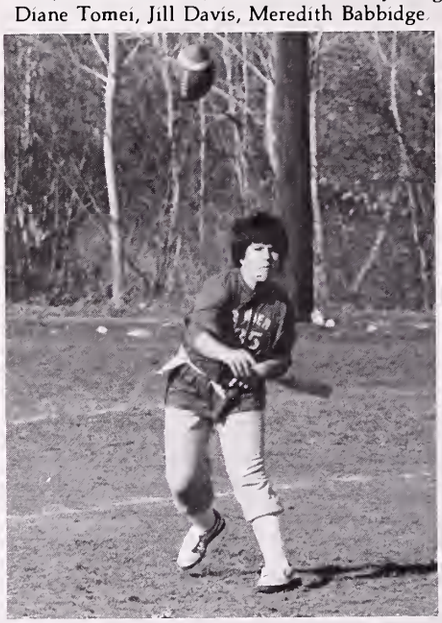
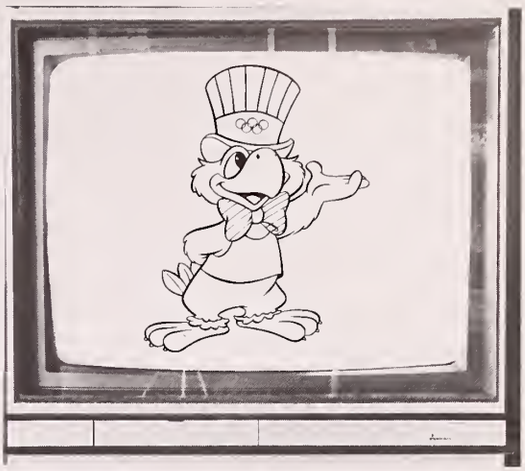
Over 150 students braved the chill to attend the annual senior and junior girls Powder Puff Football game at the Lampson field. This annual event is held the day before Thanksgiving to bolster the students spirit for the Billerica-Chelmsford Thanksgiving game.

Mr. Lancaster coached the seniors and Mr. Alcott and Mr. Doherty coached the juniors. Both teams had been practicing the week before and were well prepared. The close game was won by the juniors, 24-20, and both defenses worked hard.



Cheering



The varsity cheerleading team has had an exciting season cheering during the many close encounters our football team has faced. Under the direction of captain Jean Mattucci, the girls have learned many new cheers and mounts.

Juniors Patti Gillis, Charlene Oliveri, Wendy McDonald, Cathy Rogers, Toni Mattucci and Lynda Grasso turned in fine performances during their first varsity season.

Seniors Joan Fitzgibbon, Noreen Harty, Karen Raimondi, Lisa Marmiani, Tracey O'Brien and senior captain Jean Mattucci showed their leadership and ability during the entire season.

The cheerleaders also spent their time and effort preparing the rally that all hopefully enjoyed.

The BMHS Tradition Continues . . .

Top Row-Coach Roger Richard, Bob Stickney, Dave Melvin, Steve Higgins, Tom Erving, Robbie Robinson, Tom Glavine, Darel Crandall, Paul Fraser, Mike Moricone, Bill Loranger, Assistant Coach Doug Robinson **Front Row**- Ed Burke, Danny Kilday, Mark Catizano, Matt Hernon, Chuck Magnicen, Mike Dolan, Al Tossini, Joe Gualteri, Dave Dinano, Rob Miner

The Indians put together another great season this year, producing another State Tournament qualifier, and barring any late season upsets, their 4th consecutive MVC Championship (the 12th in the last 14 years).

Once again the Indians strongest competition came from arch-rivals Chelmsford. The two teams clashed early in the season with Billerica coming out on top 7-6. From there, the Indians cruised, extending their two year regular season winning streak to 28 games before sufffering a tough loss to Lawrence Central.

The loss to Central set up the championship game late in the season between Billerica and Chelmsford. Once again the Indians came out on top, this time by a score of 4-0.

At this point the Indians have 3 league games left and should come up with all wins and the title. All that's left for the Indians is to make a return trip to the Boston Garden and better last year's semi-finalist berth.

The team will lose nine key Seniors this year: Co-Captains Mark Catanzano and Tom Glavine, Tom Ervin, Steve Higgins, Rob Miner, Rob Robinson, Greg Eaton, Bill Loranger, and Mike Dolan.

The 1983-84 Girls Varsity Basketball team is a young team comprised of 8 underclassmen and only 2 seniors. Co-Captains Denyse Corriveau and Sue Baldwin lent leadership and maturity to this group of young ladies.

The 83-84 edition got off to a fast start and remained in contention throughout the season. The Lady Indians were lead by the scoring of Carolyn Covino and Wendy Bartel; the rebounding of Jean Kinsella, Nicole Brien, and Sue Mullaney; and the ball handling and passing skills of Michelle Blanco. Wendy MacArthur and Kathy Woods made valuable contributions throughout the season with their fine offensive and defensive efforts.

The future looks bright for Billerica Girls Basketball!

The Billerica Memorial High School "Indians" started the 1983-84 basketball season as underdogs in the Merrimack Valley Conference. With only three returning varsity players; Senior Co-Captain Walter Cataldo, Junior Co-Captain Mike "Cheez" Dagle, and Senior Jimmy Whiteway; the Indians were not expected to do well. With the support of Coach James and Coach McDermott, the Indians opened the season with two nonleague wins, including a one point victory over Arlington.

The Indians then soundly defeated their MVC rivals-Chelmsford-thanks to outstanding play by the starters Walter Cataldo, Mike Dagle, Gary DiSarcina, Craig Burns, and Tom Foley; and also because of the support coming off the bench from Jimmy Whiteway, Tom Peck, Steve Smith, Scott Acone, Brian Raboin, Tom Sullivan, and Mike Kennedy.

The Indians went on a tear in the MVC by skyrocketing off to an undefeated record of 10-0. The first upset of the season occured in a close game at home against Lawrence Central. Then another loss followed against Lowell. However, the Indians made a comeback and Chelmsford and Haverhill felt their wrath and were easily defeated. Suddenly, an upset broke the the Indians' streak when they fell to Dracut in overtime by one point.

Unfortunately for Tewksbury, Billerica's fury carried into their game as the Indians thrashed the Redmen. The Indians had a fine 1983-84 season, and thanks to the superb coaching as well as outstanding talent, made it to the States!

This year's girls gymnastics team was headed by Captains Kathy Harrigan and Brenda Gambale. The team was made up of 14 competitors—10 who were new to the varsity level. Girls symnastics is comprised of 4 events—uneven bars, balance beam, vaulting, and floor exercise. Each event has six performers and two team members or all-arounds, who must compete in all four events.

Leading the team in points this season in all-around was Michele Cristello, who scored approximately 23 points per meet. Following closely behind Michele was Kathy Harrigan, who averaged 21 points per meet.

Leading scorers on the uneven bars were Kathy Harrigan, Michele Cristello, and Jennifer Colleran. Taking top honors on beam were Kathy Harrigan, Jennifer Colleran, and Michele Cristello.

One of Billerica's strongest events was vaulting-where scores of up to 7.7 were achieved. Jennifer Colleran, followed closely by Michele Cristello and Donna Tonini, led the vault competition. Probably the most entertaining of the four events-floor exercise-saw Kathy Harrigan, Michele Cristello, and Brenda Gambale achieving high scores.

Another important team member, who was vital for team organization, was manager Nancy Fitzpatrick. We couldn't have done it without her.

The 1984 gymnastics team would like to thank coaches Diane Smith and Helen Dolan for their time, support, and encouragement throughout the entire season. The team would also like to say farewell to its only two seniors-Kathy Harrigan and Brenda Gambale-Good Luck!

Despite the loss of 8 seniors to graduation from last season's state Championship Wrestling Team, the 1983-84 edition has had another outstanding season. The team just completed the dual meet season with a 13-1 record and has compiled an impressive 28-1-1 record the past 2 seasons.

With the tournament season just beginning, we are looking forward to defending the championships from last season and hopefully bringing another Sectional and State title to Billerica Memorial High School.

The girls indoor track team had a very successful season, just missing an eleventh year as MVC champs when they lost to Lowell, the last meet of the season. The team finished with a 7-1-0 record and carry the title of MVC runner up. Led by tri-captains Lynda Coye, Janine Gifford, and Julie Chen, the team had several individual performances that highlighted the season. Lynda Coye was a strong runner in both the mile and the two, and Janine Gifford dominated the 300, suffering only one loss in duel meet races. Senior Diane McPartlin remained undefeated in the mile and the two and Margret Norton was also a consistent scorer in the two runs. Karen Kinsella made her presence known in both the shot put and the 600 run, scoring consistently in these events. The Billerica relay team of Gifford, Kinsella, McPartlin, and Sharron Kelly was a strong point of the season, capturing wins throughout the season and winning against Chelmsford when the the meet came down to the relay. Sophmore Sharron Kelly ran an excellent season in her own right, remaining undefeated in the 600 in the dual meets, and doing well in put season races. Sophmores Jennifer Burt and Lisa Willard had outstanding seasons dominating the 50 hurdles and 50 dash and Kelly Egan dominated the 1000 for the Indians. With mostly underclassmen making up the team, the Indians should be just as strong coming back next year.

This season was one of highs and lows for the Indian swimmers. While many competitors were achieving personal best performances throughout the season, a lack of depth and a rigorous schedule found the team with a record of 2 wins, 7 losses, and 1 tie at the end of the dual meet season. Co-Captains Barry Price and Mike Hubert led the team with fine performances in the sprint freestyle and butterfly events respectively and combined with fellow seniors Kevin Davis in back stroke and Chris Donovan in breast stroke set a new school record for the medley relay.

The team was Senior dominated and strong performances were turned in by the following: Jason Koskey in individual medley; Greg Hanlon in butterfly; Ed Fay, individual medley; Scott Rivinius, breast stroke; and Phil Guecia and T.J. Caetano in sprint freestyle.

Among the underclassmen who contributed were Gerry Dumais, distance freestyle; Alan Danehy, diving; Phil Farmer, middle distance freestyle; John Kelly, back stroke; and Mark Moriconi and Dan Fay in distance freestyle.

Coach Jack Stephenson wishes to commend this team for maintaining their dedication and enthusiasm throughout a difficult season.

BASKETBALL CHEERING

In 1984, the basketball cheerleaders had a lot to cheer about. Our basketball teams' successful season made cheering at the games truly fun and exciting. Under the leadership of senior captain Lisa Marmiani, the basketball cheerleaders constantly improved during the course of the season. Many new cheers and mounts were created, and the girls displayed terrific spirit. Juniors Patty Gillis, Wendy McDonald, Toni Mattucci, Charlene Oliviri, and Cathy Rogers gained a a lot of experience, and their enthusiasm and effort helped to make this season one to remember. The cheerleaders are looking forward to the Eastern Mass Tournament in which we know our team will be a big success.

HOCKEY CHEERING

The 1984 edition of the hockey cheering team performed extremely well during this past season. Our hockey team's super season certainly made the cheering season a tremendous experience for the squad. This year's captain, senior Jean Mattucci, would definitely make any all-star cheering team you could find. Seniors Joan Fitzgibbon and Chris Connolly had superb seasons. Juniors Theresa Connolly, Lynda Grasso, and Dawn Tomis, were welcome additions to the team. The girls showed their spirit and determination during some trying times and turned this season into a fantastic time. The girls are eagerly awaiting the beginning of the Eastern Mass Tournament, and they hope to root the team on to a championship this year.

The DECA Creed

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation offers.

I believe in fulfilling the highest measure of service to my vocation, my fellow beings, my country and my God — that by so doing, I will be rewarded with personal satisfaction and material wealth.

I believe in the democratic philosophies of private enterprise and competition, and in the freedoms of this nation — that these philosophies allow for the fullest development of my individual abilities.

I believe that by doing my best to live according to these high principles, I will be of greater service both to myself and to mankind.

CLASS OF 1984

THE FUTURE IS YOURS

Billerica Federation of Teachers

"There is more wisdom, more experience, more commitment, more love and affection for our children and a better desire to bring about good education found in the hearts and spirits of the American Classroom teacher than in any other place in our country."

CLASS OF 1984:

As you leave Billerica Memorial High School you will be entering a fast changing world where you will be judged and evaluated by your performance and behavior. Your actions will always be a reflection of your family and your education. Always strive to make yourself a credit to your heritage. At Billerica Memorial High School you have received a solid foundation on which to build a future. Go forward with pride in your past accomplishments and with an eagerness to always improve.

Sincerely,

Paul J. Heffernan

To The Graduating Class of 1984:

Nineteen eighty four, thanks to George Orwell's famous novel, has been approached by many people with a certain amount of fear and reservation. Mr. Orwell depicted this year of your graduation as a time in which people's minds and bodies would be enslaved by the computer that was named "Big Brother".

Today, as you graduate from Billerica Memorial High School, you know that the world is not what Orwell thought it might be. You continue to possess the abilities and the opportunities to make choices and to determine your own futures.

Nevertheless, the responsibility that you have to make thoughtful decisions regarding your personal lives and the lives of our community and country remains an ever-present challenge to you as high school graduates. It is my hope that Billerica Memorial High School has provided you with the skills, information, and values to respond to this challenge.

I extend to you my congratulations and my best wishes for happiness and personal fulfillment throughout your lives.

Thomas D. Sharkey

FROM: Joseph A. Sarno, Vice Principal

It doesn't seem so long ago that you started school. Some of your most cherished school experiences will always be with you, and you will forever remember the tears and laughter you shared with your fellow classmates and teachers.

How is the time for you to go forth into a different world; a different life. But go forward with confidence that you are prepared for whatever undertaking or endeavor you wish to pursue.

Remember: "When the burden grows heavy,
and rough is the way,
When you falter and slip, and it isn't your day,
And your best doesn't measure to what is required,
When you know in your heart that your fast growing tired,
With the odds all against you, there's one thing to do;
Call on your courage and see the thing through." Edgar A. Guest
